

## DRYTREAT - ENHANCE PLUS

**TYPICAL APPLICATIONS**

*ENHANCE-PLUS™ is ideal for indoor / outdoor use on kitchens, bathrooms, entertainment areas, pool surrounds, patios, countertops, floors, walls, building facades, and for public / commercial areas.*

**PRODUCT  
DETAILS & SPECIFICATIONS****ENHANCE-PLUS™**

Enrichment Sealer. ENHANCE-PLUS™ provides long lasting colour enrichment / enhancement for natural stone, tiles, bricks, pavers, concrete and grout.

**BENEFITS**

Deep enrichment of natural colour.

Helps to hide scratches and imperfections.

Able to penetrate and enrich even dense materials such as basalt and slate.

Repels water-based stains and makes surface easier to clean.

Helps to protect against efflorescence, salt attack and freeze-thaw damage; retards moss and mildew growth.

Slip resistance of treated surfaces is maintained.

Treated areas are food contact safe.
