

DRYTREAT - STAIN-PROOF

**TYPICAL APPLICATIONS**

STAIN-PROOF™ is ideal for indoor / outdoor use on kitchens, bathrooms, entertainment areas, pool surrounds, patios, countertops, floors, walls, building facades, and for public and commercial areas.

**PRODUCT
DETAILS & SPECIFICATIONS****STAIN-PROOF™**

The world's leading impregnating sealer for protecting natural stone, tiles, masonry, pavers, concrete and grout.

BENEFITS:

- Super penetrating and permanent
- Retains natural colour and finish of the surface
- Superior stain protection – super oil and water repellence
- Deep liquid repellent barrier protects against efflorescence, picture framing, spalling and freeze-thaw damage
- Easy to apply
- Makes cleaning easier and keeps surface looking new for longer; controls moss and mildew growth
- Fully breathable - water vapour escapes freely, helping to avoid harmful moisture buildup inside the treated material
